Crea una web que muestre la fecha y la hora actual, debe actualizarse sola sin refrescar la pantalla y debe verse así:

A screenshot of a web page with a light blue background. The text is centered and consists of three lines: the first line is 'La fecha y hora de hoy es:' in blue, the second line is '05/06/2023' in bold black, and the third line is '13:44' in bold black. A vertical cursor is visible at the end of the first line.

La fecha y hora de hoy es:
